

Travel savings for your company

BlueBiz is AIR FRANCE, KLM, DELTA, ALITALIA and partner airlines' joint loyalty programme for companies.

Join our simple and flexible programme designed to reflect your business needs and enable you to make the most of our wide range of services and powerful network.

Start accruing Blue Credits when you fly. Since each Blue Credit equals the value of £1, it is easy to calculate how many credits you need to redeem for a free ticket, upgrade or optional extra.
